Change Address

Change Address on One Subscription

To change the shipping address used for a single subscription, you need to:

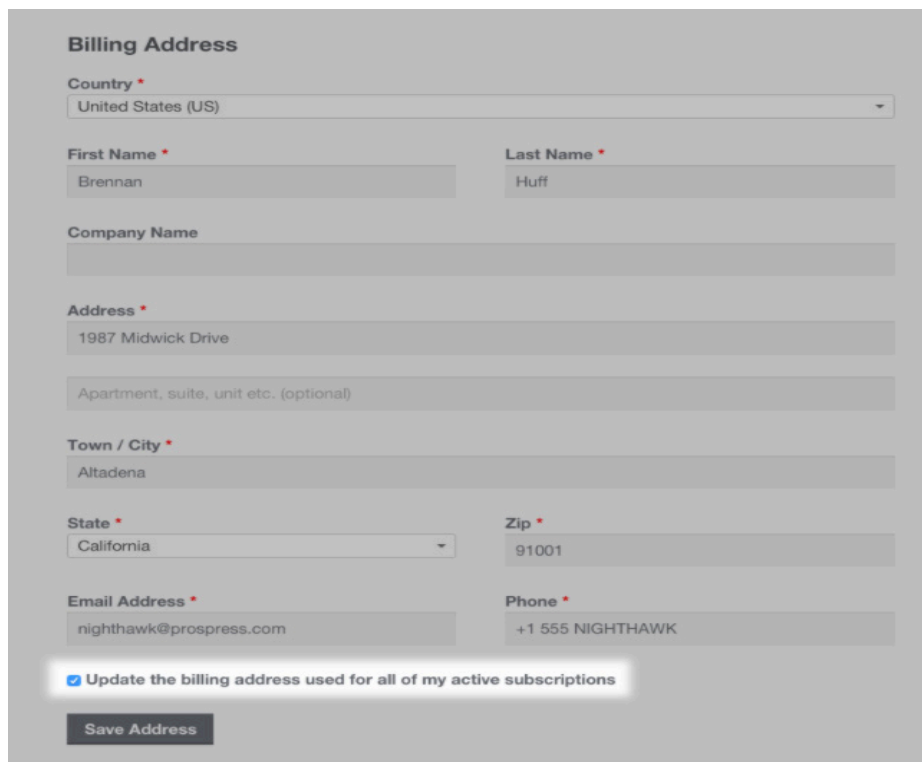

1. Go to your My Account > View Subscription page.
2. Click the Change Address button next to the subscription.
3. Enter the new address details in the form.
4. Click Save Address.

At the base of the edit address form, the customer is advised that both the shipping address used for this subscription and the default shipping address for future purchases are updated. However, the shipping address for other subscriptions is not changed.

Change the Address on All Subscriptions

To change the address used for all subscriptions, you need to:

1. Go to your My Account page.
2. Select the Edit link next to the shipping or billing address.
3. Enter the new address details in the form.
4. Tick the checkbox: Update the address used for all of my active subscriptions.

The image shows a 'Billing Address' form with the following fields and values:

- Country ***: United States (US)
- First Name ***: Brennan
- Last Name ***: Huff
